

## 2012 MAINTENANCE TECHNICAL REWARD AND CAREER SCHOLARSHIP (MAINTENANCE TRACS)

The NBAA Maintenance Committee is dedicated to promoting technical education and training as a means for business aviation maintenance technicians to enhance their careers. To support this position, NBAA offers current and aspiring maintenance technicians the opportunity to receive Maintenance Technical Reward and Career Scholarships. Effective 2012, aviation military personnel transitioning to business aviation also are eligible for this scholarship.

Maintenance TRACS aircraft, engine and avionics training awards are donated by:

Abaris Training Resources, Inc.	Global Jet Services, Inc.
Bell Helicopter	Gulfstream Aerospace Corp.
Bombardier Aerospace	Hawker Beechcraft Corp.
CAE/SimuFlite	Honeywell, Inc.
CAE Training Solutions	NBAA Maintenance Management Conference
Cessna Aircraft	NCATT
Dassault Falcon Jet	Rolls-Royce, Inc.
FlightSafety International	Williams International
GE Aviation	

Additionally, the following organizations donated to the Maintenance TRACS travel fund to help offset travel and lodging expenses incurred by award recipients during training: Duncan Aviation, Midcoast Aviation, Volo Aviation, McWane, Inc., Alcoa, Inc. and Jet Aviation Maintenance.

Awards will be made to U.S. citizens or permanent residents without regards to sex, race, religion or national origin. Recipients will be announced at the NBAA Maintenance Management Conference, to be held May 1 to 3, 2012, in Nashville, TN. Maintenance TRACS awards will be redeemable under the conditions established by NBAA and its donors, and applicants are limited to receiving one award per person every other year; i.e., recipients of the 2011 scholarship are not eligible to apply in 2012, but they will be eligible to apply again in 2013.

Recipients must complete all professional/educational training and redeem the award within one year from the date of announcement, unless otherwise noted, or risk forfeit of the award. Recipients also are responsible for costs associated with the scholarship, such as travel and lodging expenses, unless otherwise noted.

Maintenance TRACS is one of several scholarship programs offered by NBAA to promote professional development and business aviation careers. For all NBAA scholarships, applicants are limited to receiving one award per person, per year. For more information, visit [www.nbaa.org/scholarships](http://www.nbaa.org/scholarships).

## SCHOLARSHIP AWARDS

Sponsors will make the following scholarship awards available to recipients selected by the NBAA Maintenance Committee. Research each award to determine its potential in meeting your career goals. Rank all awards in order of preference, starting with "1" as your top choice. Indicate only one number per award, and indicate "N/A" for awards that are not desired. Awards are to be accepted as specified below, and attempts to exchange awards for options not offered may disqualify the recipient.

**Abaris Training Resources, Inc.** – All three of these courses will be awarded, one per recipient. Available at Abaris Training Centers in Griffin, GA and Reno, NV.

- \_\_\_ Composite Structures Fabrication and Damage Repair (Phase 1) – Five-day course
- \_\_\_ Composite Structure Damage Repair (Phase 2) – Five-day course (Note: Must have previous composite repair education or work place experience to attend this course)
- \_\_\_ Composite Structure Fabrication and Damage Repair (Phase 1 and 2) – 10-day course

**Bell Training** – All four of the following courses will be awarded, one per recipient. Training will take place at the Bell Training Academy Facility, Alliance, TX.

- \_\_\_ Composite Repair Course – one week

- FJ Series Engine Line Maintenance Course

## **APPLICATION REQUIREMENTS**

1. Applicant must be U.S. citizen or permanent resident.
2. Applicant must be either: (1) a current holder of an airframe and powerplant (A&P) certificate currently employed in general aviation, (2) a student currently enrolled in either an accredited A&P program or an approved FAR Part 147 school or (3) aviation military personnel transitioning to business aviation.
3. Fill out this application form in its entirety and sign it. You must type or print your name on every page and rank scholarships in order of preference for the application form to be considered complete.
4. Submit a 250-word, typed, double-spaced essay describing your interest in and goals for a career in the business aviation maintenance field. Your typed name must appear at the top of the page.
5. Submit a current one-page resume with permanent home address.
6. Submit a letter of recommendation from a supervisor, faculty member or other individual who is familiar with your capabilities. A recommendation from an NBAA Member Company Representative is encouraged but not required.
7. For students, submit proof of enrollment, such as an official transcript.
8. Completed application package, which includes this form, one essay, one resume, one letter of recommendation and (for students) one transcript, must be received by NBAA no later than **March 2, 2012**, to be considered for the scholarship.
