Aircraft Operators

February 1, 2016

SUBJECT: Operations in the Augusta Airport System during the 2016 Masters® Golf Tournament

Dear Patron,

Let us be the first to welcome you to Augusta, Georgia for the 80th annual Masters® Golf Tournament! We hope that your stay is pleasurable and filled with all the southern charm that our beautiful garden city has to offer. For your convenience, the Augusta airport system is privileged to have four area airports, all of which are very capable of accommodating your travel needs. Augusta Regional Airport (AGS) is located in Augusta, Georgia at the intersection of Doug Barnard Parkway and Tobacco Road. Daniel Field (DNL) is located in Augusta, Georgia at the intersection of Wrightsboro Road and Highland Avenue. Aiken Municipal Airport (AIK) is located in Aiken, South Carolina at 129 Aviation Blvd. right off of Exit 22 on I-20. Thomson McDuffie County Airport (HQU) is located in Thomson, Georgia at 454 John T. Lane Rd. All four airports are committed to making your visit as enjoyable and trouble free as possible.

The Augusta Convention and Visitors Bureau can help with your hotel requirements. They have the latest list of hotel properties with room availability. Please contact the Augusta Convention and Visitors Bureau at (800) 726-0243.

Augusta Regional Airport at Bush Field (AGS)

- ✓ *In our efforts to satisfy demand, the airport will close Runway 8/26 and Taxi ways (A & E) to accommodate additional aircraft parking.*
 - ✓ *Due to the fluid operational nature of this event, no reservations or air slots will be required.*
 - ✓ *Aircraft will be parked on a First- Come, First-Served basis and once the ramp reaches capacity, a drop and go area will be activated to accommodate additional users.*
 - ✓ *Air Boss Consulting International Inc. will provide ramp control advisory services to manage aircraft operations in the non-movement areas.*
- Avfuel AVTRIP Points Program. As an AVNET dealer, Augusta is proud to participate with Avfuel's AVTRIP program. In recognition of your support throughout the year, we are quadrupling our AVTRIP points to 8 points during Masters, Sunday April 3rd through Monday April 11th, 2016. This special coupon is available on the Avfuel web site, www.Avfuel.com/AVTRIP.

- Avfuel Contract Fuel. Augusta Regional Airport is participates in Avfuel's contract fuel program for corporate, private, and commercial operators. If you do not have an Avfuel contract fuel account, please contact Avfuel to set one up.
- Augusta Regional Airport will operate one instrument runway. Runway 17/35 is 8,001 feet long and 150 feet wide. Runway 17/35 has CAT I ILS and RNAV (GPS) approaches to include PAPI. For your convenience, the FAA control tower operates daily from 1000 to 0300 UTC.
- Aviation Services, your FBO at AGS, provides twenty-four hour line service, over 10,000 square feet of hangar space for daily aircraft storage, and Avfuel 100LL and jet fuels. Our jet fuel is premixed with FSII for your convenience.
- AGS provides on airport 24-hour aircraft rescue, firefighter, and police services.
- Standard Aero Augusta, Augusta Regional Airport, and Avfuel Corporation are jointly sponsoring a hospitality suite for our guests during Masters. Please drop by for complimentary food and beverages.
- We are taking several steps to maintain the highest levels of customer service you expect at Augusta. Avfuel Corporation will provide additional fuel trucks. In addition, we have increased our staffing complement and secured an abundance of ground support equipment for timely aircraft servicing.
- Due to the large amount of traffic associated with the Masters Golf® Tournament, the Airport has designated several overflow parking areas north and east of the Main Ramp. Ground transportation will be provided between overflow parking areas and the FBO. Since active taxiways and runway are between the overflow parking areas and the FBO, please remain at your aircraft until transportation arrives. Contact the FBO on 122.95 for transportation.
- Taxiway Alpha, primary north/south taxiway parallel to Runway 17/35, Runway 8/26 and Taxiway Echo, east/west taxiway parallel to Runway 8/26 will be closed during Masters and will be used for overflow parking. Please check NOTAMs for current taxiway status. When Runway 8/26, Taxiway Alpha & Echo are being used as a parking area, it becomes a non-movement area.
- For the most current Augusta Regional Airport information, please call Aviation Services at (706) 798-2656 or visit our web site at www.flyags.com. You may email your requirements prior to your arrival to our customer service representatives at AGS_FBO_INFO@augustaga.gov.
- Catering. Iacofanos provides in-flight catering services for the airport. An Iacofanos' representative will be available daily at the FBO to assist you with your catering needs. You may place your order with their representative or contact them via email @ order@iacofanos.com or by phone @ 855.485.3663.
- Ground Transportation. Augusta Regional Airport is fortunate to have eight car rental agencies on site to accommodate your needs. Additionally, taxi's and shuttle service will be standing by and available at your request.

Daniel Field (DNL)

- **The Airfield** - Daniel Field has two lighted, asphalt runways with parallel taxiways. Runway 5/23 measures 4,001 x 100 feet with PAPI lights. Runway 11/29 measures 3,732 x 100 feet with VASI lights on Runway 11. The airport has a rotating beacon, lighted wind indicator, and Automated Surface Observing System (ASOS).
- **Location** - DNL is located less than three miles from Augusta National.
- **Controlled Field** - For your convenience, there will be an Air Traffic Control Tower at DNL from Wednesday, April 6, through Saturday, April 9, 1100 to 0000 UTC, and Sunday April 10, 1100-0100 UTC.

- **The FBO** - Augusta Aviation, Inc. is located in The Boshears Terminal at Daniel Field. Augusta Aviation, Inc. provides telephones, flight planning area, pilot's lounge and quiet room, shower, conference room and wireless Internet access. Complimentary food and beverage will be provided for your crew during the week of April 4 thru 10. Catering is available upon request. Please give a 24-hour advanced notice for catering by calling (706) 733-8970. Augusta Aviation, Inc. also has quality line service and APU service. 100LL and JetA with FSII are available for sale.
- **Ground Transportation** - Enterprise Rental Car will be on the field the week of April 3 thru 11 to handle your rental car needs. Please call Enterprise directly at (706) 733-5008, option 44, to make your car reservations. Taxicab service is also available to take you to and from the golf tournament with little to no wait.
- **Contact Us** - For further information about Augusta Aviation, Inc. and Daniel Field, please visit Augusta Aviation's web site: www.AugustaAviation.com, or call (706) 733-8970.

Thomson McDuffie County Airport (HQU)

- FBO Check-in. All pilots are required to check in at the FBO Terminal customer service counter on arrival to provide local contact information, service requirements, and estimated departure information to aid in providing timely service and managing the ramp space.
- Fuel Orders. Fuel orders are taken at the FBO customer service counter only and must be recorded on a Fuel Order form. Fuel servicing is provided on a first come, first served priority based on departure requirements. To meet your fueling requirements in a timely manner, we will have additional fuel trucks and line personnel on duty.
- Towing Aircraft. Spirit Aviation (FBO) has ample room for aircraft parking; however, line personnel frequently need to move parked aircraft to make the most efficient use of ramp space or to move up an aircraft to prepare for departure. Pilots are requested to leave their aircraft configured to tow. When you check in at the FBO customer service counter, please let a Customer Service Representative (CSR) know if the aircraft is not configured to tow, if you would like to be contacted before moving your aircraft, or if you have special concerns about towing the aircraft.
- Ramp (Parking) Area. Ramp (parking) areas are congested with aircraft, vehicles, and pedestrians. The ramps are non-movement areas and are not controlled by Air Traffic Control (ATC). Pilots operating in these areas do so at their own risk. When taxiing in a parking area, be alert for parked aircraft, taxiing aircraft, aircraft with engines running, and vehicle and pedestrian traffic. Taxiing during hours of darkness or limited visibility is more demanding and requires greater attention.
- Ramp Fees and Parking Reservations. Daily ramp fees are imposed by the FBO and are mandatory for all aircraft to offset significant ground handling resources and personnel brought in for the event. Advance Parking Reservations are required for all turbine aircraft. Contact Spirit Aviation at (706) 595-1300 or visit website at www.spirit-aviation.com to make reservations. Aircraft landing without advance notice to FBO will incur additional handling fees.

Aiken Municipal Airport (AIK)

Aiken Aviation welcomes you to experience the ease and convenience of flying in and out of the Aiken Municipal Airport (AIK). Our superior service, amenities, and location make us an ideal option for your Masters FBO.

- **Location:** AIK is 1-mile off of I-20 and an easy drive down I-20 to Washington Road to get to the Augusta National (less than 30 minutes in the opposite direction of the Masters traffic).
- **Runways:** The Aiken Municipal Airport has two lighted, asphalt runways. Runway 07/25 is 5500 x 100 ft. with PAPI lights and has ILS and RNAV (GPS) approaches. Runway 01/19 is 3800 x 75 ft. and will be utilized for aircraft parking only during the Masters.

- Parking and Transportation: Aiken Aviation has abundant space for aircraft parking and can accommodate your quick turn needs. We have the equipment necessary (including tow bars and large tugs) to handle all levels of aircraft up to a Global Express. Enjoy the hassle-free convenience of being able to drive straight out to your aircraft. Parking reservations are recommended and can be made by visiting our website at www.aikenaviation.com or calling 803-648-7803.
- Fuel: We offer Shell Aviation Jet Fuel and 100LL. Our Jet Fuel is premixed for your convenience. As a Shell Aviation fuel dealer, Aiken Aviation participates in the Shell Contract Fuel program. We also offer COLT contract fuel. Additional fuel trucks and staff will be provided as in past years to keep the fueling process quick and efficient. 
- Hours and Staffing: For your convenience during the Masters, Aiken Aviation offers extended line and customer service hours and additional staffing to offer personalized attention to our customers.
- Amenities: Our beautiful terminal building offers Wi-Fi and telephones with comfortable customer lounge areas, pilot lounge, flight planning room, and quiet room. Complimentary meals and beverages are available for flight crews.
- Hotels: Aiken offers a variety of hotel choices including the Hilton Garden Inn, Fairfield Inn, Hampton Inn, and Country Inn and Suites among others. Please be advised that because of the proximity to the Augusta National, Aiken hotels fill up quickly.
- Ground Transportation: Enterprise Rental Car will be on site and located at the service counter at the back half of the FBO building to handle your rental car needs. Please call Enterprise at (803) 641-0135 to make your car reservations. Multiple taxi and limousine companies are also available for your transportation needs. All rental companies allow drop offs and pickups at AIK.
- Catering: Iacofano's catering will be on site for all of your inflight and crew catering needs. They will have a kitchen and staff and can make up many orders on the spot. You may place an order on site or by calling 855-485-3663 or emailing order@iacofanos.com.
- Historic Aiken, SC: Aiken's historic downtown is only minutes away from AIK and is lined with unique and sundry specialty and gifts shops and fine dining establishments where you can delight in dishes from among the local favorites as well as a variety of international fare.
- Information: For more information on Aiken Aviation or AIK, please visit our website at www.aikenaviation.com or call (803) 648-7803. For more information on local golf courses, historical sites, gardens, tours, hotels, shopping, and restaurants, please visit www.aikenis.com.

Ramp Fees.

- In order to keep our fuel prices as low as possible while still providing the highest levels of customer service to you and your passengers, each airport has implemented a very reasonable Ramp Fee. Ramp Fees are based on aircraft landing weight or size type. The Ramp fee is a daily fee and it is charged per aircraft arrival. Please check with each FBO for special rules concerning their Ramp Fees.

Federal Aviation Administration (FAA)

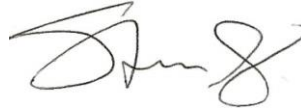

- In anticipation of a large number of aircraft operating in the Augusta, Georgia area during the Masters Golf Tournament, the FAA has implement special air traffic procedures to minimize air traffic delays and enhance safety. Please see the attached Special air Traffic Procedures NOTAM.
- **Destination Parking**. Users should plan alternates in the event parking becomes unavailable at your airport of intended landing.

- For the most current NOTAM information, please call FAA Flight Service Stations at 1-800-WX-BRIEF, go to the web site <http://www.faa.gov/NATP>, or go to the AGS FAA ATC web site at www.agsatct.faa.gov.

On behalf of all the employees at Augusta Regional Airport, Daniel Field Airport, Aiken Municipal Airport, and Thomson McDuffie County Airport, we look forward to providing you, our guests the best possible service during your visit.

Sincerely,

Gary LeTellier
